

Accepting Applications for:
2 YOUTH ENGAGEMENT ADVISORS (up to age 24)
CHILD & YOUTH MENTAL HEALTH

As the Lead Agency for Children's Mental Health Sarnia-Lambton, St. Clair Child & Youth Services aims to create a mental health system that makes sense for the children, youth and families of Sarnia-Lambton. It is an exciting time in children's mental health and we are pleased to offer local youth the opportunity to truly have a voice and play an important role in this transformation.

St. Clair Child & Youth Services is seeking well-organized and creative candidates with leadership skills, who can help foster and grow youth engagement activities within our community. These are volunteer positions, although an honorarium will be provided.

MAIN RESPONSIBILITIES

- Support the development of a youth advisory council to ensure the genuine voice of youth in the mental health system
- Advocate for mental health related issues in the community
- Facilitate advisory groups and focus groups as necessary
- Act as a liaison with existing groups/organizations and support a youth engagement philosophy with service providers
- Provide peer-to-peer education, support, and engagement opportunities for youth
- Offer feedback to management and the Board on the delivery of existing programs and services from a youth perspective
- Oversee evaluation process of engagement activities

SKILLS AND ABILITIES :

- Preference will be given to candidates with lived experience
- Ability to work independently and demonstrate strong organization skills
- Positive and creative personality within a team environment
- Superior communication skills both verbal and written
- Project management and planning skills are an asset
- Ability to work flexible hours, including evenings and weekends
