Clinical Supports to C.A.S. Families

We provide intensive in-home and community-based supports to identified Sarnia-Lambton Children's Aid Society placements.

Families may benefit from this program if:

- They are experiencing high levels of family conflict
- They are seeking help with family reunification
- They have children/youth who are experiencing behavioural difficulties at home, school, and/or in the community
- They have children/youth who are at risk of breaking down their foster placement

Our Team will work to ensure that the parents/caregivers and child/youth receive the most suitable supports.

Families are referred to this program directly through the Children's Aid Society.
